Bold font indicates the transfer stations and offices will all be closed.

THINK SAFETY

- Hard Hat
- High Visibility Clothes (green NEOSH safety vest with reflective stripes)
- Safety shoes
- Eye Protection

All items above need to be worn by drivers when outside their vehicles at the transfer stations. Drivers preparing to enter tipping areas must await directions from the traffic coordinator and/or heavy equipment operator and shall maintain eye contact with operating personnel.

Recycling is Mandatory for Specific Materials

Morris County has designated specific materials to be source separated and recycled. This mandate applies to all Morris County waste generators including residents, businesses, schools, institutions, construction sites, etc. A listing of these mandated recyclable materials is provided in the sidebar on the right, but please note that this listing is a generalized listing.

Specific definitions of these materials and any exceptions that may apply are available on the MCMUA website at <http://mcmua.com/>.

Please realize that Morris County's source separation recycling mandate is nothing new, as these materials have been mandated to be recycled since 1993. Disposing of designated recyclable materials in the trash is not acceptable and is illegal in Morris County. NJDEP regulations place responsibility for source separation of designated materials on both the waste generator and the transporter.

Materials Mandated to be Source Separated and Recycled

- Aluminum Cans
- Glass Bottles and Jars
- Plastic Bottles (coded 1 and 2)
- Steel (Tin) Cans
- Newspaper
- Corrugated Cardboard
- Mixed Paper
- Leaves
- Grass Clippings
- Brush
- Natural Wood Waste
- Oil-Contaminated Soil
- Used Motor Oil
- Lead-Acid Batteries
- Hazardous Dry Cell Batteries
- Metal Appliances
- Whole Tires
- TV, Computers and Monitors
