

# The ABCs of Recycling in Schools

Recycling's good for our planet!

## Do recycle these:

### Paper

- Letterhead/typing paper
- Copy paper/copy paper wrappers
- Memo/telephone messages
- Calculator tape
- Calendars
- Construction paper/other colored paper
- Computer printout
- Envelopes (with or without cellophane windows)
- Post-it® notes
- File folders
- Junk mail and flyers
- Carbonless copy
- Books (paperback and hardcover)
- Glossy magazines and reports (no bindings)
- Hanging file folders (without metal rods)
- Corrugated cardboard (flattened)
- Fax paper
- Newspapers
- Kraft paper (e.g., brown paper bags)
- Chipboard (e.g., tissue boxes, notepad backings)

## Do not recycle these:

### Put into trash

- Milk cartons/juice boxes
- Labels and label backings
- Tyvek™ envelopes\*
- Cardboard from soda packs
- Carbon paper
- Paper napkins
