Dear Recycling Coordinator,

I am providing you with tonnage figures for the recycled material collected from your County during 2019.

As per N.J.A.C. 7:26A-4.4, I am providing you with the tonnages of petroleum contaminated soil received from your county (municipalities within) during 2019. All soil was treated as per our NJDEP permit and sent to one of the NJDEP or NYDEP authorized sites which was pre-approved to receive Clean Earth of Carteret's processed material.

If you have any questions regarding this report or require my assistance to complete this report, please do not hesitate to contact me at 732-541-8909 from 9:00 am to 5:00 pm daily.
