

News Release

October 1, 2021

The Morris County Municipal Utilities Authority will be taking part in the Morristown Festival on the Green on Sunday, October 3. Stop by our booth to get recycling and trash decals for your curbside containers, learn about what's new in the recycling markets, hear about household hazardous waste disposal, and more.

You too will get the POINT when you stop by the MCMUA's educational booth at the Morristown Festival on the Green on October 3!
