

MCMUA Press Release

December 20, 2021

With the holiday season here, keep in mind that bows, ribbons, glitter, bubble wrap, cellophane, holiday lights, hardcover books, plastic bags, batteries, foam packaging, Styrofoam, and electronics do not belong in your curbside recycling container. For proper disposal information, visit www.mcmua.com, or your municipal website.

After the holidays, consider donating unwanted or extra gifts to a local charity organization. For a list of reuse organizations, visit https://mcmua.com/sw_reduction.asp.
