**Notice of Construction
Water Main Replacement
Morris County Municipal Utilities Authority
Pleasant Hill Road 24" PCCP Retirement – Phase 1**

Please be advised that, starting on or about **Monday, June 30th, 2025** Underground Utilities Corporation will begin the water main replacement on Pleasant Hill Road in Randolph NJ.

This work will require **temporary closure of Pleasant Hill Road** between Selma Place and Mel Drive during normal working hours. This will continue throughout the duration of the project.

There will be no street parking allowed. NO PARKING signs will be posted in the areas necessary. Please pay attention to the changing traffic patterns and follow the necessary detours.

We appreciate your patience and understanding and apologize for any inconvenience that you may experience during this time.

Of course, this work will result in an improved infrastructure for Randolph Township and the County of Morris.

Should you have any questions, comments or concerns please contact this office.

Very truly yours,

Edward C. Plank
Project Manager
Underground Utilities Corp.
